Dear Bob:

This confirms prior discussions on this subject.

It is requested that you furnish a proposal for System 5 FAK, Depot Spares and SLOE as required to support this equipment in the field. The proposal should assume that 5 will be used at two separate locations.

A copy of the proposal should also be furnished  for review.

25X1

It is our understanding that in the interim an emergency kit for 30-day support will accompany the equipment to the field.

Very truly yours,

*DH*  
Dan
